Dear Local Resident, Concerned Citizen, and Elected Public Official:

Welcome to the Indiana Department of Transportation's (INDOT) Public Meeting regarding a proposed intersection improvement project (with added turn lanes) on S.R. 1 at the south junction of S.R. 116 in the city Bluffton, Wells County. The purpose of this project is to enhance safety and mobility of roadway users, by addressing the lack of access control and turning lanes at the intersection.

The intent of this meeting is to discuss the scope and merits of the project. It is however not intended to be a forum to discuss specific right of way (R/W) acquisition concerns. If you are a project stakeholder impacted by R/W acquisition, please contact the INDOT real estate representative assigned to you. If a representative has not yet been assigned to you, please contact the INDOT Real Estate Division at (317) 232-5060.
